

Home and School News

October 2016

The Home and School Committee at Hebbville Academy consists of parents and guardians as well as school staff. We meet on a monthly basis to discuss programs and events at the school as well as fundraising opportunities and how our funds will be dispersed. We assist with funding for school uniforms, playground equipment, winter carnival, literacy week activities, school garden, as well as a discretionary fund (lunches, medications, eye glasses etc) just to name a few. We are always looking for new members to attend meetings and help with fundraisers. If you would like to receive email updates from the Home and School, please detach and complete the bottom of this paper and we will add you to our list.

The Hebbville Academy Fall Bazaar is just around the corner. We have decided to try having it in November this year, with more of a Christmas theme. It will be held on Saturday November 19 from 11-2pm. We need your help to make this a successful event. We are attaching a canvassing sheet with this handout, with hopes that perhaps you own a business, or can ask your employer for a donation for our silent auction. We are also in need of many volunteers to help on Bazaar day setting up and working the booths. We also need cakes/cupcakes, prizes (dollar store items), books, stuffed animals, snow cone syrup, and popcorn for this fun day. These items can be dropped off at any time at the school. We will also be sending home a surprise bag to be filled and your child's class will be putting together a themed basket for our famous basket draws. We will be sending home raffle tickets shortly and we ask for your continued support in selling as many tickets as possible. If we all work together we can make this a successful fundraising event for all of our students.

Please email us at hebbvillehands@nspes.ca to let us know how you can help! Or phone/text Melissa Bush @ 902-523-5650

NEW THIS YEAR.... We will be renting vendor tables for \$10 each so people can sell their wares at our Bazaar (including home based catalogue business). We will create a unique shopping area where people can browse and purchase some great Christmas gifts! Contact us now to reserve your spot as space is limited!

The Hebbville Home and School would also like to assist in upgrading the playground. We would like to make an outdoor kitchen area with used materials. If you have any items such as a sink, pots and pans, utensils, cups etc. that you can donate please drop them off at the school. We are also looking for tonka trucks and dinkie cars. We will need people to help with building this area, so please stay posted for dates and opportunities to help make this happen!
