

Communication Plan 2020 ~ 2021  
Physical Education Primary ~ Grade 4  
Hebville Academy  
Gail Doucette

Physical Education classes will be planned and delivered according to the curriculum outcomes set forth by the Nova Scotia Department of Education as well as following the guidelines for the prevention of Covid 19 as set forth by the Nova Scotia Department of Health as outlined in the Back to School Plan for Hebville Academy.

First and foremost our concentration this school year is on the well being, engagement and safety & security of our students.

Students will:

- participate in a variety of fun physical activities to the best of their abilities with a positive “growth mindset”
- participate with respect, follow directions, make good decisions while moving safely and in control of their bodies, show characteristics of a “Good Sport”
- adopt the motto **Practice Makes Better** and will be encouraged to embrace a positive attitude towards a lifelong healthy lifestyle

Student assessment will be through a combination of methods:

- Observation
- Questioning / Interviewing
- Checklists
- Self evaluations

To contact me please phone the school at 902-541-8284 and leave a message. I will return your call as soon as possible.
