The Hebville Academy Home & School Association has begun to organize the annual Fall Bazaar, which is being planned for Saturday November 19, 2016. The money raised from our Bazaar is used to provide social activities and supplies to help enrich our students' school environment. Your generous support makes this event a huge success and truly makes a difference in the lives of our students and community.

Last year we were able to provide funds for the school garden, sports uniforms, art demonstrations, and classroom mats. We were also able to provide fun social activities for the students such as winter carnival, LCLC trip, and an end of year fun day and ice cream social. This is all in addition to our annual contributions for the student citizenship awards, Park View Bursary, and various other commitments. Every year we assist students in need with lunches, school supplies and other items. Our Home & School is committed to helping all students in every grade level.

This would not be possible without the help of many volunteers and the generous support from families, friends, community members and the strong support from numerous organizations in the area.

We are asking that you donate a prize for our silent auction or raffle draw this year. Please do not hesitate to contact us if you have any questions at hebvillehands@nsps.ca

We thank you and our students' thank you in advance for your continued support and generosity.

Sincerely,

Melissa Bush
